School-Wide Updates

World Poetry Day Winners - Y Gracias a Maestra Alisa!

Felicidades to the **winners** of the **World Poetry Day** celebration and

competition this past Thursday. These phenomenal students will represent NMIS at the state-wide **Poesía eres tú** competition at the National Hispanic Cultural Center on **26 April 2019**.

- First grade: Clara Uribe Cooper
- Second grade: Alejandro Quinlan

- Third grade: Isabella Fuentes
- Fourth grade: Jude Estrada Mendoza
- Fifth grade: Juliette Nagel

On behalf of the entire school community, thank you to **Maestra Alisa Cooper de Uribe** and her helpers for putting on this spectacular event!

And thank you to our super **risk-taker** students who participated, and our respectful and **principled** audience members!

Calendar Update

After all the legislative debate, NMIS will, after all, keep the calendar it adopted back in December for

New Mexico International School

A K-5 Dual Language Immersion International Baccalaureate World School
www.nmis.org / nmis.attendance@gmail.org

Page 1

2019-2020. Remember this calendar has a *later start in the year due to remodeling schedules of the new campus*. **Student first day will be 22 August 2019, and last day will be 20 May 2020**. To recoup the lost instructional time due to the delayed start, our school days will be longer on M, T, Th, and F. The student hours will be:

- M,T,Th, F: 8:20 - 3:30
- W: 8:20 - 1:00

Attached is a copy of the calendar for your convenience.

**Coughing
Students -
Asthma?
Allergies?
Or
Something
Else?**

Our *Family Handbook* states that children with a “strong or persistent” cough are to **remain home from school**. This is because a cough is a symptom of something - it could be a virus, a respiratory infection or it could be allergies or asthma.

For these two latter cases, please be sure your child has an *Allergy Action Plan* or an *Asthma Action Plan* on file with the Health Office. If your child presents with a cough and has

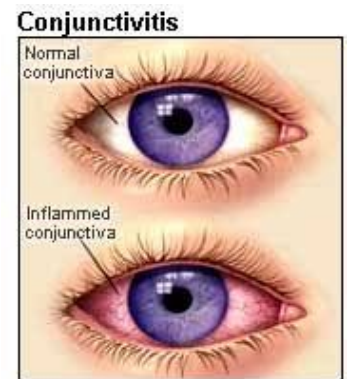

such a plan, the school can act accordingly to help the child.

If your child does not have such a plan, or if your child does have such a plan but the cough is not responsive to the treatment indicated in the plan, your child will be sent home for the day. This is simply in an effort to help keep all our students healthy on campus.

Stay Home if You Have Pink Eye

Conjunctivitis or “Pink Eye,” can be extremely contagious, and is spread by contact with eye secretions from someone who is infected.

Symptoms include **redness, itching, and tearing of the eyes**. It can also lead to discharge or crusting around the eyes.

© 2003 WebMD Inc.

Allergic conjunctivitis can be treated with antihistamines. Bacterial conjunctivitis can be treated with antibiotic eye drops. If you are aware that your child is infected, **please make sure that they are on antibiotics for 24 hours before returning to school**. Please bring proof of doctor visit.

Page 2

Cruising Cones **@Truck-a-palooza on 6 April!**

If you are attending the Albuquerque Truck-a-palooza event, be sure to stop by the

Cruising Cones ice cream truck! Just mention “NMIS” when you buy your ice cream, and **they will**

donate 20% of sales to the NM International School Foundation!

The event is Saturday, **6 April from 10am - 2pm** at Balloon Fiesta park. Click [here](#) for details of the event.

NMISF Spring Carnival ***May the Fourth Be With You!***

The NMISF is planning the second annual Spring Carnival. This super fun family event is scheduled for Saturday, **4 May 2019 from 2pm-5pm.**

Just like last year, there will be booths, silent auctions, and fun-galore. We will even have special Star Wars Fan Troupes visiting and in costume!

More details to come, but for now, just save the date!

Spring Break ended, but school is not over!

As an incredible immersion school your child’s attendance is extremely important to their academic success. When your child is not in school they are missing on opportunities to solidify their Spanish acquisition. *If your child is healthy*, please make sure that your child comes to school and is on time.

AVANT Language Acquisition Tests: 22 March - 19 April

K-5th: All students begin taking the AVANT **Spanish** assessment ***this week***. This test is designed for students learning Spanish as a second language and measures their progress in up to four areas.

- Kinder: Listening and Speaking
- First Grade: Listening, Speaking and Reading
- Second through 5th Grade: Listening, Speaking, Reading and Writing.

It is important your child is present for these exams. Your teacher can give you the specific dates and times.

Here is a link to take a [practice AVANT Spanish test](#):

New Mexico International School

A K-5 Dual Language Immersion International Baccalaureate World School
www.nmis.org / nmis.attendance@gmail.org

4th & 5th: Students in these grade levels will take the AVANT **Arabic** assessment. **Arabic assessments begin next week.** These are similar to the Spanish versions, but measure their Arabic development in Listening and Reading. It is important your child is present for these exams. Your teacher can give you the specific dates and times. Here is a link to take a [practice AVANT Arabic test.](#)

Stuffed Animal Day

As a reward from our NMISF Fundraiser, all children can bring a stuffed animal to school on **Friday, 29 March.** It needs to be [no bigger than a breadbox](#), and unfortunately [taxidermied animals](#) cannot be brought as a “stuffed animal.”

Spring Photo Day - 5 April 2019

Our Spring Photo day is **Friday, 5 April 2019.** This is a special uniform free day where kids come in

their *most adorable* spring outfits. We have a photographer (different from the fall photographer) who will capture your kid’s cuteness. ***This photographer donates 10% of all photo orders right back to NMIS!***

YEARBOOK!!!!

YEARBOOK DEADLINE IS APRIL 8. Three weeks left to order your NMIS yearbook and create custom pages for your child! Custom pages are optional, but they're FREE and allow you to include your own special photos and memories from the year. TreeRing makes it EASY with many templates and graphics to choose from.

Comfortable Cafeteria

Last week during Comfortable Cafeteria students learned how to be good **communicators.** We discussed the three “C’s” of communication- being clear, concise, and consistent, and defined what being an active listener “looks like.” This upcoming week will be the last Comfortable Cafeteria session. Students will learn about

New Mexico International School

A K-5 Dual Language Immersion International Baccalaureate World School
www.nmis.org / nmis.attendance@gmail.org

the importance of **including and respecting others**. Below are links to handouts which provide information on how to help your child develop conversation skills: https://everymomentcounts.org/up_doc/Coaching_Conversation.pdf and conversation tips/starters: https://everymomentcounts.org/up_doc/Conversation_Starters.pdf.

To assist staff as they carry out the program in future years, I will create

a Comfortable Cafeteria binder containing weekly lesson plans, activities, and educational resources. If you have any questions feel free to contact Ashley Ingram at **Ingrama8318@marybaldwin.edu**

This Week's Grade-by-Grade Update

Kindergarten

Maestra Cynthia Pedrotty nmis.pedrotty@gmail.com

Maestra Marina Cortés Nuñez nmis.cortesnunez@gmail.com

Maestra Martha Pacheco nmis.pacheco@gmail.com

This week, students will learn that **kids can make inventions too!** We will watch the inventions show from *The Ellen Show* where she interviews kids who made inventions. Students will begin brainstorming what invention they would like to invent to help improve people's lives.

<https://mail.google.com/mail/u/0/#inbox?projector=1>

<https://mail.google.com/mail/u/0/#inbox?projector=1>

<https://mail.google.com/mail/u/0/#inbox?projector=1>

Students will bring a picture of an invention invented by a kid and we will create a class poster from these pictures. Search on Google for inventions made by kids for ideas on what your student can bring to be added to our class poster.

Students will watch the following educational videos as part of our IB unit.

<https://www.youtube.com/watch?v=wIM4h74pgh4>

<https://www.youtube.com/watch?v=QDhO-cN26R0>

In Language Arts, we are going to continue talking about transportation. Students will learn the letter / s / and words that begin with this letter. We will also read stories with words that begin with /s / and write sentences in our notebooks with letter /s /.

In math we will continue learning the basic functions of the clock and also we will learn using calculators.

In science, we will continue observing the ladybug's life cycle. Students will learn the Physical science strand "Moving around" How do the thing and people move around?

Continue preparing our students for the AVANT test by doing different listening and speaking practices in class. Don't forget to practice Raz Kids at home, especially reading Spanish books(levels AA-B) to help prepare your student for our Spanish test AVANT coming up in April!

The words for this week in Spanish to practice will be:

1. tengo

2. vamos

Reminders:

AVANT Practice Test:

<https://app.avantassessment.com/sample?username=samplelogin-sp&password=samplesample&loginId=1000006195>. Only practice **speaking** and **listening**, as these are the only two parts of the test kinders take.

Please make sure that the children hear the initial sounds everyday for at least fifteen minutes. Here is the link to listen to estrellita at home <https://www.youtube.com/watch?v=K3iBjCMevbo>

KINDER VIOLIN NEWS:

Stay tuned for new practice videos on the [YouTube](#) channel! We're working on E and A Monkey songs, putting them together to do the full Monkey Song (A Major scale) and playing ALL of the Twinkle rhythms we learned at the beginning of the year in that A major scale. The "Warming Up" video has the full monkey song in it, but I will be putting a new one up soon. In the meantime, please listen to the Kinder playlist on [Soundcloud](#). All of what they are playing is on there and important for your child to listen to often!

First Grade

Maestra Alisa Cooper de Uribe nmis.cooperdeuribe@gmail.com

Maestra Ana Karen Arvizu nmis.arvizu@gmail.com

This week we will begin our second line of inquiry in our Sharing the Planet unit: the relationships among tools, force, and movement. The vocabulary words related to this week's learning are **relación, fuerza, movimiento, gravedad, jalar** and **empujar**. Our English spelling words are **saw, paw, law, lawn, fawn, then, this, what, new**.

This inquiry will focus on how forces influence the movement of our bodies and the tools humans have developed over time to help us in

our daily lives. This line of inquiry will culminate next week in the development and creation of our own vehicles!

In math, we will continue to explore the concepts of fractions and division, and will then take our Unit 8 assessment. We'll begin Unit 9 toward the end of the week, revisiting number patterns on a number grid to specifically identify patterns with ones and tens. Then we'll start using that knowledge as a

New Mexico International School

A K-5 Dual Language Immersion International Baccalaureate World School

www.nmis.org / nmis.attendance@gmail.com

Page 7

tool to more quickly add and subtract by tens.

VIOLIN Home Practice Links:

were practicing with the instrument in hand!)

[SoundCloud](#) (it's proven that listening to songs that your child knows on a daily basis works the brain in the same way as if they were practicing with the instrument in hand!)=

Second Grade

Maestra Julia DeLilla nmis.delilla@gmail.com

Maestra Bárbara López nmis.lopezb@gmail.com

In IB we will begin a new unit “Sharing the Planet”. Our second graders will be learning about planets, habitats, nature’s recyclers and how we can take care of our planet.

This week in Math, students will begin Unit 10. This unit focuses on working on area, perimeter and money. We will continue to work on multiplication facts.

In Social Studies, our students will learn about the arctic and tundra. Students will begin to work on a group project on how pollution and contamination affect our habitats.

In science we will learn about Mars, Jupiter and Saturn. Students will choose a planet to research and complete a Bloom Ball. During this unit students will also work on a project to research an animal of their choice.

The students will continue improving their spelling, penmanship, and writing skills through dictation. Different areas of the Earth are home to different animals. The animals and plants that live in each habitat are adapted to cope with the conditions around them. Many habitats have been destroyed by human activity.

Spelling Words for the Week:

1. more (más)
2. morning (mañana)
3. most (máximo, máa)
4. mother (madre, mama)
5. much (mucho)
6. must (debe)
7. myself (yo mismo, mí mismo)
8. name (nombre)
9. near (cerca)

10. need (necesidad)

On March 26th and 28th we will be taking a Spanish test (AVANT) to measure your child's Spanish proficiency. The test will include a typing portion. We ask that you have your child practice at home. There are several typing sites that can be used to help your child become more familiar with the keyboard. Below is also the link to the AVANT practice test.

<https://app.avantassessment.com/sample?username=samplelogin-sp&password=samplesample&loginId=1000006195><https://www.typing.com/>

<https://www.bbc.com/bitesize/articles/z3c6tfr>

Parents remember to use RazKids at home. Students can read in both

Spanish and in English with this program.

VIOLIN Home Practice Links:

[YouTube](#) (look for the Google doc link in the description for sheet music!)

[SoundCloud](#) (it's proven that listening to songs that your child knows on a daily basis works the brain in the same way as if they were practicing with the instrument in hand!)

Third Grade

Maestra Yvonne Martini nmis.martini@gmail.com

Maestra Monica Saenz nmis.saenz@gmail.com

IB: Students will continue researching the traditional art form of their ambassador country.

Math: We will begin Unit 8 with a brief review of basic fractions. Then, we will move onto finding fractional parts of a set.

Language Arts: Third graders will read *La elección de Felicia*. In this short reading, students will practice

sequencing, main ideas and details, and drawing conclusions.

Science: In conjunction with our art unit, students are learning about the anatomy and function of the human eye.

Spelling: The root words this week are **geo** (*earth*), **gon** (*angle*), **grad** (*step/go*), **gram** (*written, letter*), **graph** (*write*).

1. geography
2. geology
3. geometry
4. polygon
5. diagonal
6. pentagon
7. graduation
8. gradual
9. grade
10. diagram
11. grammar
12. program
13. biography
14. graphics
15. pictograph

1. arcilla
2. plastilina
3. pincel
4. cuentas
5. acuarela

Avant (Spanish proficiency) tests are coming up very quickly. Here is a link to take a [practice AVANT Spanish test](#):

[VIOLIN NEWS & Home Practice Links:](#)

[YouTube](#) (look for the Google doc link in the description for sheet music!)

[SoundCloud](#) (it's proven that listening to songs that your child knows on a daily basis works the brain in the same way as if they were practicing with the instrument in hand!)

Your children had a wonderful opportunity before Spring Break in working with Christian Howes, renowned jazz violinist and educator. We had a great time discovering new ways to approach the violin using songs that we know! Thank you, third graders, on being respectful to Mr. Chris and being risk-takers in trying new things!

Fourth Grade

Maestra Jill Salley nmis.salley@gmail.com

Maestra Amanda Kraft nmis.kraft@gmail.com

In Mathematics, we began our 8th unit on *Area and Perimeter*. We have connected home building and design into this unit to show the real life application.

In science, we wrapped up our unit on the human body this week. Students learned how various body systems work together, and have a cause and effect relationship. We begin our investigation into

chemistry and energy usage next week.

In Spanish language arts, we are about half-way through reading El Gran Gigante Bonochon. Students are beginning to independently use the six Literature circle jobs to aid their comprehension.

Congratulations to Jude Estrada Mendoza who won the school wide Spanish spelling bee this Tuesday! Olivia Duran took second place! And to our **risk-taking** participants: Evianna Strauss, Kiyomi Vigil, Tekiyah Arnot, and Rokaya Alfayyadh.

On Thursday, we had several risk-taking girls who participated in the Spanish poetry recitation contest: Keely McConkey, Athena Nagel, Liliana Sewell, Evianna Strauss, Mia Hettler, Alexis Wardroup Sanchez, Grace Bellomo and Jude Estrada Mendoza.

Congratulations to the amazing Jude Estrada Mendoza who won for 4th grade!

In IB, we begin the World Peace game next Tuesday. Students will be discussing what they think the 9 biggest problems in our world are, and then will be split into 5 different groups, led by student Prime Ministers. Every week students will tackle a different problem, use their communication and negotiation skills, make high-stakes decisions, and perhaps have something to teach us adults, through their

struggles and successes during game play.

Spring Carnival is on Saturday, May 4th from 2-5. The theme is Star Wars. We need parent volunteers to run a booth to represent the 4th grade. Please contact your teacher if you are interested in helping out, or have a gift basket or service you would be willing to donate to our silent auction.

Lastly, we have Spanish AVANT testing next week on Monday, March 25th.

Fifth Grade

Maestra Jessica Castro-Buelna nmis.castrobuelna@gmail.com

I am very glad to say this has been a very positive week in our classroom. While time is flying by please remember Exhibitions are coming faster than expected. The great thing is students have had sufficient time to do their research and are feeling great about exhibition.

In IB – We are slowly working on all stages of ecosystems. The students will be looking into the of the clouds and the formations.

In mathematics - we will be working on area and volume. Students will be getting ready to begin a new section of our unit and will be taking a short assessment on graphs, area, and volume.

Exhibitions – We are coming close to our exhibition. The students have been working really hard on their exhibition research and have been working on their presentations. Most of them have decided to use either powerpoint or google slides. This week we will be focusing on

getting their boards ready and will be practicing on their presentations. Reminder we will have our school practice presentation of exhibition on Wednesday April 3. The student's posters will be in class as well as in the hall. Parents are more than welcome to come by and check out presentations. The Culmination Exhibition will be presented on Wednesday April 10th from 5:00pm to 8:00pm.

World Poetry: Congratulations to Juliette Nagel for winning first place in the Spanish World Poetry contest! Good luck in the next stage! Also, my amazing risk takers who volunteered to participate in the poetry contest Grace Knouse and Dagny Gellert.

Quick note: The Spring Carnival will be held Saturday, May 4th from 2-5. This year the theme is Star Wars. For our fifth-grade class we will need to have a booth. Any ideas or help are welcomed. Please let me know if you are interested in helping

us out, or if you have a gift basket or service you would like to donate to our silent auction.

Lastly, we have Spanish AVANT testing next week. This will be going over speaking, reading, and listening.

Fifth Grade Graduation - from Nancy Abeyta your 5th Grade SAC Rep.

The end of the year is around the corner and so is 5th Grade Graduation! As your SAC Liaison, I'm looking for a parent or group of parents to coordinate the graduation and possibly a party after. The kinder graduation is in the morning so there will be some coordination with the kinder parents who are coordinating their event.

I am more than happy to participate, but I can't take on the lead for this event. Please let me know who is interested and I can relay all the details I have so far.

Thanks and have a great weekend!

nancy.abeyta@yahoo.com

New Mexico International School (NMIS) is an International Baccalaureate **World School** offering the **Primary Years Programme (PYP)**. We share a common philosophy with other World Schools across the globe – a commitment to high quality, challenging, international education that New

Mexico International School believes is important for our students. Only schools authorized by the IB Organization can offer any of its three academic programmes: The Primary Years' Programme (PYP), the Middle Years' Programme (MYP), or the Diploma Programme (in addition to the IB Career-related certificate). In addition, NMIS is an **Dual Language Immersion school**. We immerse our students into a Spanish language environment beginning in kindergarten with the goal of making our students biliterate in Spanish and English by grade 5.
